THE PUBLIC FANCY

Is Captivated With the Idea of Low Rate Excursions

ON THE INTELLIGENCER PLAN

Every Day Until the Close of the Fair. The Pronounced Rush Yesterday. Plenty of Time to See and All the Accommodations That Could Be Desired—This is the Best Time to Go to the Fair.

The latest cut in rates has given a new impulse to World's Fair business on the INTELLIGENCER plan. The announcement yesterday that the low rate first-class tickets to Chicago, good for ten days, are now good for every day and every train, brought to the INTELLIGENCER office an additional rush of inquirers.

The idea of an excursion every day on trains that are not excursion trains but the regular Baltimore & Ohio first-class trains, with sleepers attached, rather captivated the popular fancy. Fortunately telegrams from Chicago gave assurance that INTELLIGENCER tourists who apply at once can be cared for. Some of the INTELLIGENCER hotels are full, but there is room enough in view for to-day and to-morrow to accommodate any reasonable number of persons going on the INTELLIGENCER plan.

For those who go now there is plenty of time to see the fair and to see it well. Nothing of all the exhibits will be disturbed until the last day of the fair shall have passed, and this will be October 30. Even after that the buildings that are the wonder of the world will remain, and the least of them is well worth a careful study. In answer to many inquiries yesterday afternoon and last night to which no satisfactory answer could be given owing to delayed telegrams, the following received late last night is given:

CHICAGO, ILL., October 20.

Wheeling Intelligence:

Can take twenty to thirty people from you next Sunday and Monday.

(Signed) WINDSOR BEACH HOTEL.

Those who desire to go to this popular house must speak at once. Accommodations may also be booked for the Calumet, of which returning INTELLIGENCER tourists bring most satisfactory accounts.

WORLD'S FAIR TOURISTS.

People Coming from and Going to the Big Exhibition.

Dr. J. H. Pipes, of the South Side, got back yesterday. As he put it the big exposition is altogether too big and grand to be adequately told of. He was there a week and did not see a fractional part of the exhibits and other attractions. The department that impressed him more than any other was the manufacturers' building, where all the wonders of the modern steam-electro age are gathered under a single roof. After that he admired the magnificent art gallery.

Miss Kate Allison returned yesterday. J. F. Jones returned yesterday from a visit.

Mrs. Will Fee arrived home yesterday from the fair.

Miss Lizzie Cook has returned after a two weeks' visit.

Mrs. E. Hofreiter and son, Irwin, returned yesterday.

Cashier J. J. Jones, of the Exchange Bank, and wife left yesterday.

Mr. Fred Neumann, of the Roymann Brewing Company, left yesterday.

William A. List left over the Baltimore & Ohio yesterday for the fair.

Samuel Kraft, of Kraft & Rosenberg, left yesterday over the Baltimore & Ohio.

Frank Stanton, wife and son Walter and Turner Morris returned yesterday at noon.

Walter Beswick, bookkeeper of the LaBelle iron works, left yesterday for the fair.

C. Q. Porter, chief clerk of the Cleveland, Lorain & Wheeling, will leave for the fair to-day.

Levi Cassell and wife returned last evening from a three weeks' visit to the fair and Rockford, Ill.

Charles R. Cunningham, of the Register staff, leaves to-day over the Cleveland, Lorain & Wheeling for the fair.

Ed. H. O'Donnell, baggage master of the Terminal road, and William Bodley returned yesterday afternoon.

Mr. and Mrs. P. Cassell and Will H. Cassell, of the INTELLIGENCER force, returned yesterday from an extended visit.

Mr. George W. Thompson, of Burns & Church, leave to-day over the Baltimore & Ohio at 3:50 for the World's Fair.

Mr. A. H. Weidebusch will leave this morning on the Baltimore & Ohio and will stay until the close of the big show.

Among the departures yesterday afternoon over the Baltimore & Ohio was Rev. Mgr. John T. Sullivan, of the Cathedral.

R. L. McCue, Noah Zane, F. A. Mansfield, and Jno. Goshorn left yesterday over the Baltimore & Ohio on the INTELLIGENCER plan.

Mrs. J. H. Riddle, jr., of North Main street, stopped off yesterday on her way home from the fair to visit friends in Lancaster, Ohio.

Howard Hazlett was among yesterday's arrivals from the city by the lake. Like all the other returning pilgrims he was very enthusiastic.

H. H. Painter, of Thornton, W. Va., and Henry and Matt Price, of Gratton, were in the city yesterday on their way home from the World's Fair.

Mrs. Adelaide Egerton, Misses Alice, Lizzie and Will H. Egerton, and Miss Flora Finkann returned yesterday from a visit to the fair and Michigan.

John R. Dunlap, proprietor of the Engineering Magazine, of New York, and family arrived yesterday from the fair to spend a few days with Mrs. Dunlap's parents before returning to their home in the east.

Among those leaving for Chicago to-day are Jno. T. Westwood and wife, and Messrs. W. D. Robertson, W. H. Nay and Joseph P. Heil, of Wheeling, and Joseph Gallaher and wife, of Mountsville.

The Boston Brown Bread made at the Wheeling Bakery is simply delicious.

SHOES—ALEXANDER.

Men of Good Standing

In this town are standing in our shoes—we don't mind that; they paid for the privilege. That is one reason why they stand good and walk comfortably. Every one of them is wearing

THE "PHIT-EESI" SHOES.

which have no equal in the way of a glove-fit for the foot. We are ready to make a bet that any man who wears a "PHIT-EESI" SHOE will never care for any other kind of footwear. He knows he can't get better, no matter what price he pays for them.

THE UNITED WORKMEN.

Their Celebration Next Week will be a Corker.

It was thought by the middle of the week that the incline plane railway up Mozart Park hill would be completed in time for an auspicious opening to the public of the new resort on Wednesday of next week, but it now looks as though the road will not be ready for operation until A. O. U. W. day, next Friday. One of the two cars is now on the trucks, complete, but the other still lies in the passenger station at the foot of the hill, not yet put together.

The United Workmen all over the city are making elaborate preparations for their celebration on next Friday, and it bids fair to be a record breaker in the way of celebrations. Numerous attractions will be the means of drawing a great crowd to the new resort. Chairman Weisgerber, of the fireworks committee, said yesterday that he will have the finest display of fireworks ever seen in Wheeling, and in addition there will be an immense bonfire composed of fifty tar barrels. The bowling contest between teams selected from each of the six local lodges will be not the least of the many attractions. The street demonstration will be a feature, and all the officers and past officers will ride in carriages.

Grand Opera House.

Another large audience was present last night to witness "Held in Slavery." The applause was even greater than the night before. James Thompson and Chas. Robinson received four or five encores for their specialties. Freddie Huke sang some popular airs and danced gracefully. Such singing as rendered by the Harmonic trio of colored vocalists has seldom been heard in Wheeling, and the dancing of the pickaninies showed some wonderful ability by Nip and Tuck. There will be a matinee to-day, which ladies and children should attend. The prices of admission are very low. Reserved seats, 25c; children, 10c; gallery, 15c. Last performance to-night.

BUCKINGHAM'S Dye for the whiskers does its work thoroughly, coloring a uniform brown or black, which, when dry, will neither rub, wash off, nor soil linen.

Excursion to Chicago, via the B. & O., Oct. 12, 19, 26 and 28.

On above dates the Baltimore & Ohio will sell excursion tickets, Wheeling to Chicago and return, at one fare for the round trip, good ten days from date of sale, and good only in day coaches. Trains leave at 6:50 a. m. and 3:50 p. m.

A bold hurts, but it helps. It shows you plainly what you need. It wouldn't be there, if your blood were pure and your system in the right condition. And they would be if you took Dr. Pierce's Golden Medical Discovery.

It carries health with it. All Blood, Skin, and Scalp Diseases, from a common blotch or eruption to the worst Scrofula, are cured by it. It invigorates the liver, purifies and enriches the blood, and rouses every organ into healthful action. In the most stubborn forms of Skin Diseases, such as Salt-rheum, Eczema, Tetter, Erysipelas, Carbuncles, and kindred ailments, and with Scrofula in every shape, and all blood-taints, there's nothing that can equal it as a perfect and permanent remedy. That's the reason it's the only medicine of its kind that can be guaranteed. If it fails to benefit or cure, in any case, you have your money back. And that makes it the cheapest blood-purifier sold, for you pay only for the good you get.

Can you ask more!
